Dear Members,

It gives us great pleasure as a Chamber to welcome so many new members! We would like to thank ALL our members for their support. Your Chamber has been hard at work. Stephanie Safka has been surveying the membership, and creating new marketing materials. Marge Mohn has created some excellent co-operative marketing opportunities for us. We have also been planning our next beautification project. We are encouraged by all the new business activity in the Town and Village. Whitehall provides a great opportunity for investors to maximize our local assets and bring our community fresh opportunities and insights. I would like to thank everyone on the board who volunteer their time to help keep our vision alive. I hope to see you at the Next Membership Meeting and Mixer at Lucias Restaurant Monday, June 11 at 6PM!
